DIR, Vendor, and Customer may each be referred to herein as Party, and collectively DIR, Vendor, and Customer may be referred to as the Parties herein.

### **1. Customer Agreement Elements**

- 1.1 The Parties acknowledge and agree that the terms of the TexasOnline 2.0 Master Agreement will apply to this Customer Agreement, and will remain in full force and effect except as may be expressly modified by the terms of this Customer Agreement or any amendment to the TexasOnline 2.0 Master Agreement made in accordance with specific provisions of the TexasOnline 2.0 Master Agreement, Section 5 Contract Amendments. In the event of any conflict between the terms and conditions of this Customer Agreement and those of the TexasOnline 2.0 Master Agreement, the terms and conditions in the TexasOnline 2.0 Master Agreement will govern with respect to the Parties and the Services delivered, unless this Customer Agreement specifically identifies by section number a clause of the TexasOnline 2.0 Master Agreement and indicates that this Customer Agreement will be controlling. Notwithstanding the foregoing, the Parties agree that as between Vendor and DIR on the one hand, and Customer on the other, Sections 8.1, 8.2 and 9.7 in the Customer Agreement Standard Terms and Conditions will control over any expressly conflicting statement contained in the TexasOnline 2.0 Master Agreement, if any. The Parties acknowledge the TexasOnline 2.0 Master Agreement is subject to subsequent amendment by Vendor and DIR pursuant to its terms and agree that, to the extent any such amendments impact any Customer Agreement terms and conditions, such amendments will automatically apply to this Customer Agreement with no further action by the Parties.
- 1.2 These Customer Agreement Standard Terms and Conditions may be modified by DIR and Vendor pursuant to the modification of terms of the TexasOnline 2.0 Master Agreement. Such modifications will be effective as to the affected Customer Agreements following thirty days written notice to the Customers.
- 1.3 This Customer Agreement will continue until terminated as specified therein, and subject to the terms of the TexasOnline 2.0 Master Agreement. Vendor will provide the Services described in the agreed attachments to this Customer Agreement.

### **2. DIR Approval**

Customer acknowledges that in order for Vendor to provide Services pursuant to this Customer Agreement, DIR must approve placing Customer's website and/or Applications on the Texas.gov system. A list of websites and/or Applications using Services under this Customer Agreement is included in this Customer Agreement (which also includes information on the specific Applications and fees).

### **3. Services Available to Customer**

Vendor offers a variety of website development and hosting, e-commerce and related support services to participants. The specific list of Applications and Services that Vendor has agreed to provide Customer will be specified in this Customer Agreement.

Customer acknowledges that any failure on its part to follow recommended security standards, policies and procedures may place its own data and operations at risk as well as those of Vendor and other governmental entities. Vendor will not be liable for violations of security policies and procedures by Customer. Additionally, failure to comply with security standards, policies and procedures may lead to the suspension or termination of the availability of the Applications on Texas.gov by Vendor and DIR. Vendor will give DIR and the Customer notification of non-compliance immediately upon suspension.

#### **5. Strategic Outreach**

In marketing Customer Services accessible through Texas.gov through brochures, press releases, advertisements, and other mail-outs and information pieces, Customer will include in any marketing piece in any medium that the Services are provided in affiliation with Texas.gov and will use the Texas.gov logo and universal resource locator (URL) provided by Vendor for such purpose. Customer agrees to explore the possibility of co-marketing with Vendor the Customer Services available through Texas.gov so that marketing costs are shared. There will be a link to the Customer URL from Texas.gov.

Notwithstanding the foregoing, Customer will not have the right to cancel this Customer Agreement if Vendor's failure or inability to comply with the terms and conditions of this Customer Agreement is caused by or arises from, in whole or in part, the refusal or inability, for whatever reason, of Customer to provide the support and assistance that Vendor requires from Customer to perform its obligations under this Customer Agreement, and which Customer previously agreed to provide to Vendor. If Customer does not provide Vendor with the requisite level or amount of support, for whatever reason, Vendor will, upon receipt of DIR approval, be entitled, but not obligated, to suspend or cancel any further work on the particular Service or Application

Such unrecovered costs will be calculated in accordance with Exhibit B Terms and Conditions, Section 11.03(d) Termination fee of the Master Agreement.
- 10.6 DIR may terminate this Customer Agreement following the determination by a competent judicial or quasi-judicial authority and Vendor's exhaustion of all legal remedies that Vendor, its employees, agents or Subcontractors have either offered or given anything of value to an officer or employee of Customer or the State of Texas in violation of State law.

Any pursuit of equitable relief will not constitute a waiver by DIR or Customer of any immunity from suit or liability. Notwithstanding the foregoing, DIR and Customer are not precluded from initiating a lawsuit for damages against Vendor in a court of competent jurisdiction and may do so without engaging in the process provided by Chapter 2260 of the Texas Government Code or administrative rules applicable to Customer.
